

# FLEXstand

## HIGHLIGHTS

- Multi-purpose, telescoping stand safely supports lighting and audio gear
- Different pole diameters accommodate clamps and taper into a speaker mount on top
- Trigger-style safety release allows the pole to descend safely
- Toolless design allows for fast and easy setup and tear down
- Threaded pole can be inserted into multiple positions for different applications
- Cast iron base includes rubber feet that won't scratch delicate floors and allows for quick retrieval
- Available in black or white to fit different applications
