

FIRE & SAFETY

SMOKE FLUID

Our premium, water-based fluid produces a clean, dry and odorless smoke effect. Available in three different formulations for desired effect:

1. Heavy Smoke
2. Quick Dissipating Smoke
3. Longer Lasting Smoke

BATTLE FOGGER

The Battle Fogger is a powerful and versatile fog machine that has a continuous fog output by either DMX control or a timer/duration remote. The machine is equipped with a whisper quiet pump, a permanent built-in jug and a large heating block with our award-winning Rapid Change Technology.
